Meaningful days for everyone.	Employment and Modernization Project Team	Personal Outcomes Data Employment data collected through the Employment and Modernization Project Data will be completed on 30% of participants currently connected to the Project.	November 2019	Through the project, we have successfully ended contract work at Dunn Enterprises as of June 2016. Since the ending of this work, there continues to be a strong focus on assisting people to find competitive employment and valued social roles. Since the ending of contract work in June 2016 until November 2016, an additional 13 people have gained competitive jobs through Supported Employment . As well, from April 2016 to November 2016 24 people gained competitive employment through our Youth Autism Employment grant.
	Housing Task Force Project Team	Personal Outcomes Data	November 2019	Through the Housing Task Force, we have been able to move people from a group home and creating new supports to people with access to 24 hour support in an apartment building and expanded Associate Family. Through a partnership with the City of Brantford up to 14 people will receive a housing supplement towards rent in their home/apartment. As of November 2016, 7 of 14 supplements have been approved. This has allowed people the choice and ability to choose a home that meets what they wanted in a home.

Creating opportunities for personal champions as desired by people	Personal Champion Team	We will collect Best Practices in helping people find and develop a relationship with a potential champion	November 2019	This will be a focus in the remaining 2 years of accreditation. Number of personal champion relationships sustained for people.
