| Meaningful days for everyone. | Employment and Modernization Project Team | <p>Personal Outcomes Data</p> <p>Employment data collected through the Employment and Modernization Project</p> <p>Data will be completed on 30% of participants currently connected to the Project.</p> | November 2019 | <p>Through the project, we have successfully ended contract work at Dunn Enterprises in June 2016. There continues to be a strong focus on assisting people to find competitive employment and valued social roles. Since the ending of contract work in June 2016 until November 2016, an additional 13 people gained competitive jobs through Supported Employment. As well, from April 2016 to November 2016, 24 people gained competitive employment through our Youth Autism Employment grant.</p> <p>In the past year, an additional 45 jobs were acquired through our Supported Employment supports. This includes employment for people connected to the Autism Employment initiative (22 of the 45 jobs).</p> |
| | Housing Task Force Project Team | <p>Personal Outcomes Data</p> | November 2019 | <p>Through the Housing Task Force, we have been able to move people from a group home and create new supports to people with access to 24 hour support in an apartment building and expanded LifeShare. Through a partnership with the City of Brantford up to 14 people will receive a housing supplement towards rent in their home/apartment. As of October 2017, 12 of 14 supplements have been approved. This has allowed people the choice and ability to choose a</p> |
