## *STRATEGIC DIRECTIONS*

**1. Factor 4: Community Connections**

Through our asset-based lens community encompasses place, people, culture, services and trust. We support members to connect to people and assets within the community and perform valid social roles in return. This ensures full citizenship for organization and individuals.

**2. Factor 5: Workforce**

A person-centred focus is built on an engagement cycle of learning about, listening to and responding to people. The ongoing learning process about personal priorities provides focus on diverse cultures and ideas of people we support, employees and overall community.

**3. Factor 2: Person-Centred Plans**

Person-centred planning keeps the focus on each person as the key decision maker in their life. This life planning process is rooted in what is most important to the person and involves the person directly with their community, network of connections and close personal relationships in order to attain life goals and dreams.
